## STAINLESS STEEL KOTE Ends Rusting on Metal Surfaces

Rust destroys steel surfaces and turns expensive equipment into scrap metal. **Stainless Steel Kote** ends the problem. A remarkable breakthrough in rust treatment. **Not a paint - it is real 316 grade stainless steel in aerosol form. Stainless Steel Kote** totally seals out oxygen and moisture - the main causes of rust - and converts the surface to attractive, non-rusting stainless steel. Simply remove loose rust and spray on - no priming needed.

Able to withstand acids, salt damage and heat up to 1200 degrees without blistering or peeling. **Stainless Steel Kote** has helped many industrial, municipal and federal facilities with their rust problems - it can solve yours too!

- Outside uses include: salt spreaders, snow plows, pipes, mufflers, vehicle bodies, lawn mowers & tractors, cooling towers, iron railings, wheels, compactors, sign posts, snow blowers, chlorinator rooms, marine equipment, etc.
- Inside uses include: Urinal partitions, peeling toilet flushometers, ventilation fans, boilers, lockers, pool areas, etc.
- Can be painted over to match your desired color, if required.
- GSA contract price per case: 12 cans/\$269.19 delivered

#### **FUNTIMBERS**

**Funtimbers** are polyethylene landscape borders for play areas. They are an overlap, link-together modular system permanently secured with recessed, buttonhead steel spikes. Funtimbers will never rot, decay, splinter or secrete poisonous arsenic like treated wood timbers. Funtimbers also work great for sandboxes. Funtimbers are 4' long and permit unlimited varieties of design configurations with the use of the retro-fit end and filler end timbers.

#### **WHEELCHAIR ADA ACCESSIBLE RAMP**

An easy-to-install, modular ramp system is designed to be used with Funtimbers and provides convenient access to the playground.
